## Spotlight on Ms. Zoe!

We asked Zoe (PT) a few questions to get to know her better!

*What is your specialty?* **Physical Therapy**

*Share a little about your life in general.* **I have been married for 10 years to Jody who is an All Star Competition Cheer coach and we have an 8 year old chocolate lab named Sammy.**

*What are your hobbies outside of ActiveKidz?* **I love softball and have gotten the chance to help one of my fellow therapists with ActiveKidz coach, and it has been a blast. I love to travel, read and watch movies.**

*Why do you love ActiveKidz?* **I love ActiveKidz because**

**they have always given me a chance to do what God has called me to do in this life. They allow me to treat my kiddos and do something that is literally soul giving to me as a woman. I can't put into words what that has meant to me.**

**Thank You, Zoe, for being a part of our family!**
