ActiveKidz Around Town

ActiveKidz had the pleasure of attending the annual Family Fun Day 5K Walk/Run at The Bridge of Georgia in Monroe on Saturday, April 27th! We were able to meet some new friends and say “Hi!” to friends we know. The event presented a great opportunity for ActiveKidz to give away some free gifts and share some creative art time with others. We hope to attend many more events like these in the near future!

Spotlight on Ms. Beth!

We asked Beth (PT/Braselton) a few questions to get to know her better!

How long have you been with ActiveKidz? I have been with ActiveKidz for 2 years this month!

What are your favorite things to do? I am a first time mom with a 3 month old baby girl named Ila Grace, and I spend most of my time just enjoying being her mommy. I also enjoy spending time with friends and family. I am an active member of my church, City Church Gainesville, and I teach pre-school age children and toddlers Sunday School. I enjoy fellowship and bible study with my life group once a week. We like to go to community events and concerts, and we spend a lot of time by the pool each Summer.

What is the best part of ActiveKidz to you? Being able to help children grow and learn, being a mentor and someone they can look up to, and I love developing friendships with parents. It is a very rewarding job for sure.

Tell us something about yourself that we may not know! I am originally from a small town in the North Georgia Mountains, where I grew up riding dirt bikes, playing softball and soccer, and I was intramural athlete of the year my Junior year in high school. I have been practicing PT for 10 years!

Thank You, Beth, for being a part of our family!
